Letter of recommendation for

Mohammad Emad Hammami

for serving as a Student Ambassador
for the Ignitor Community in the

University of Oslo

from **April 2022** to **December 2022**

Mohammad has since the beginning of the project shown his drive and passion for going beyond the expectations set for him. The nature of the Student Ambassador role required creative thinking, which

Mohammad showed through finding various opportunities for him to reach his goals in this position.

I can give my best recommendations for Mohammad.
