Dear Mohammad Imad Al-Hamamy,

Thank you very much for the time and energy you have invested to assist us in providing support to refugees through sharing information on existing services, conducting counseling and enhancing community based support through your voluntary role.

Your contribution has made a difference to the lives of many refugees seeking asylum in Lebanon. Hence, the role played by volunteers is an important component of the community based protection solutions foreseen by the office.

Thank you again. We greatly appreciate your involvement with the refugee outreach volunteer program.

Our best wishes go with you as you in your future endeavors.

Yours sincerely,

Community Services Officer
